Her lips were slightly parted as she looked out the window. I wanted to part them further with mine. I put both my hands on the steering wheel. I could not allow myself to let go until she was out of the car. Suddenly she leaned in and kissed me. It was far better than I could even begin to explain to you. Everyone thinks I'm a genius.

Everyone is wrong.

Sure, I finished Harvard at eighteen and now

make crazy money at a hedge fund. But that's not because I'm unusually smart or hard-working.

It's because I cheat.

You see, I have a unique ability. I can go outside time into my own personal version of reality—the place I call “the Quiet”—where I can explore my surroundings while the rest of the world stands still.

I thought I was the only one who could do this—until I met her.

My name is Darren, and this is how I learned that I'm a Reader.

# **DARKANGEL**

---

THE WITCHES OF CLEOPATRA HILL:  
BOOK 1 - CHRISTINE POPE

MY AUNT RACHEL PAUSED AT THE DOORWAY TO MY room. “He’s here,” she announced — unnecessarily, since I’d heard the doorbell just a few minutes earlier.

“Okay,” I replied, and didn’t bother to keep the reluctance out of my voice. Neither did I bother to turn away from the table where I sat, which functioned as both a computer desk and dressing table. At the moment my laptop was closed. I should have been primping in front of the mirror, but really, what was the point?

Up until that moment my aunt had worn her usual cheery expression. But I saw her mouth compress slightly, even as she gave my jeans, black T-shirt, and black cowboy boots a sideways glance.
