31 Inspirational Quotes

Our deepest fear is not
that we are inadequate.

Our deepest fear is
that we are powerful beyond measure.

It is our light,
not our darkness that most frightens us.

We ask ourselves,
'Who am I to be brilliant, gorgeous, talented, fabulous?'

Actually, who are you not to be?

You are a child of God.

Your playing small does not serve the world.

There is nothing enlightened about shrinking
so that other people won't feel insecure around you.

We are all meant to shine, as children do.

We were born to make manifest
the glory of God that is within us.

It's not just in some of us;
it's in everyone.

And as we let our own light shine,
we unconsciously give other people permission to do the same.

As we are liberated from our own fear,
our presence automatically liberates others.

- Marianne Williamson

If we have the courage

I Measured My Success

Yesterday
I measured my success
By competing with others.

Today
I measure my success
By competing with myself.

Tomorrow
I shall measure my success
By expanding my heart
To encompass others.

Take up one idea.

Make that one idea your life -
- think of it, dream of it,
Live on that idea.

Let the brain, muscles, nerves,
Every part of your body,
Be full of that idea,
And just leave
Every other idea alone.

This is the way to success.
