dedication

Author : diego alejandro meiggs cortez

I want to dedicate this book to every member of my family.

For their patience and support during good and difficult times, to my parents and sister. They have taught how to overcome challenges without ever losing composure or collapsing in the process. They gave me everything that makes me who I am, including my ideals, Perseverance, health , happiness, devotion, values and a healthy dose of love, all without ever expecting anything in return.
