for anyone with an uncontrollable bladder
or similar social inadequacies...

Once upon a time,
there was a pug
named **Hug**

whose face looked like it had been hit
with a **mug**.

Now whenever he sneezed,
he'd sneeze
and
he'd wheeze
and out would come

a gushing flow of fresh **wee.**

So poor Hug

had no

friends,

not even

pretend,

so he had been

left at the pound

without a

penny

to spend.

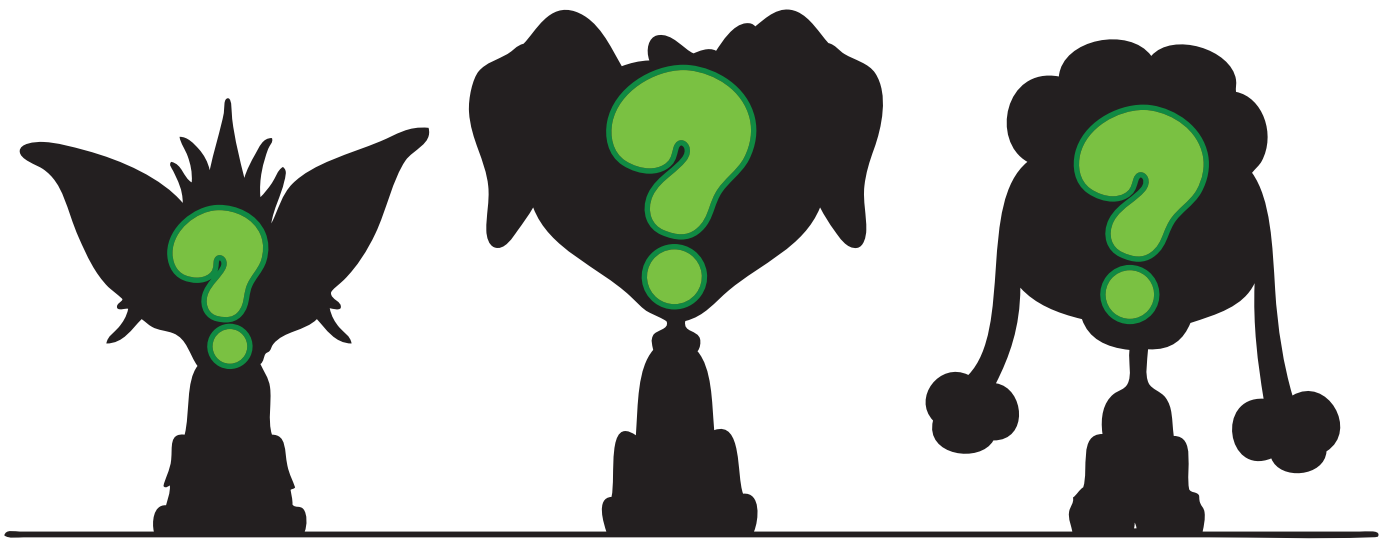

Yet during
playtime one day
he went

out on a ledge

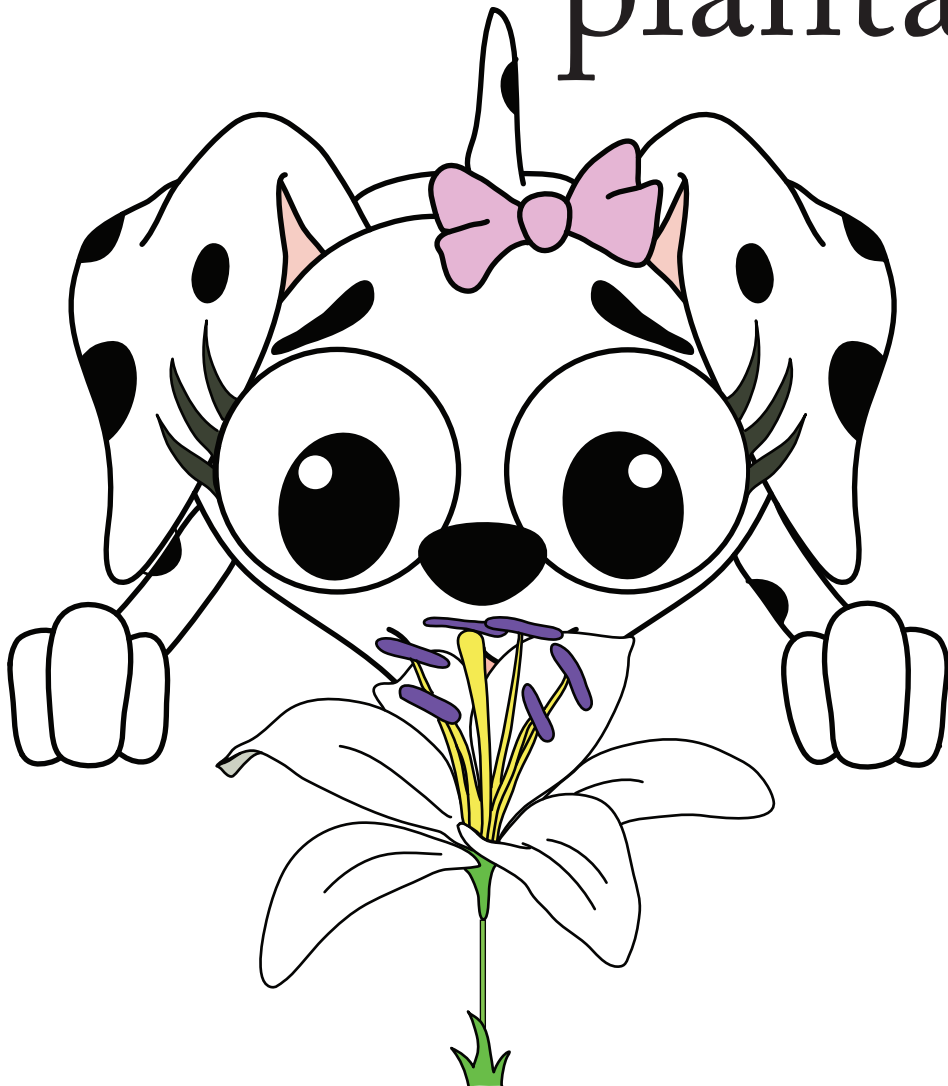

and met some

new dogs

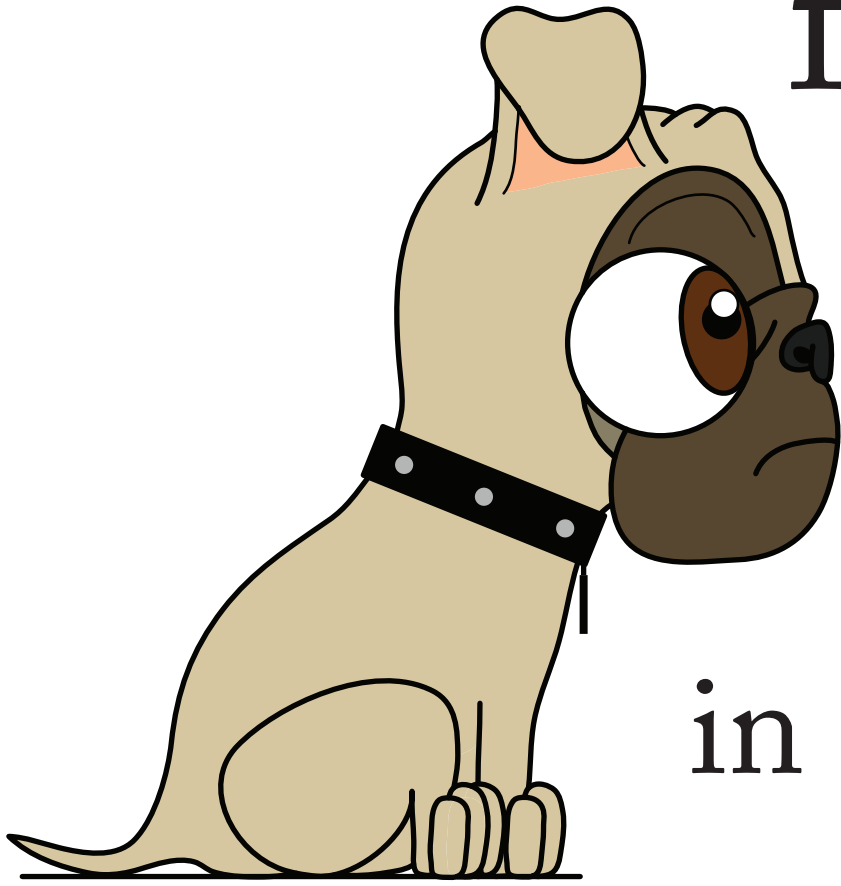

just to see where
it led.

First he came upon
Dottie,
a spotted dalmatian,
who was presently tending
her favourite
plantation.

“Can I be your
friend?”

asked

Hug

in an instant,

hoping that she would

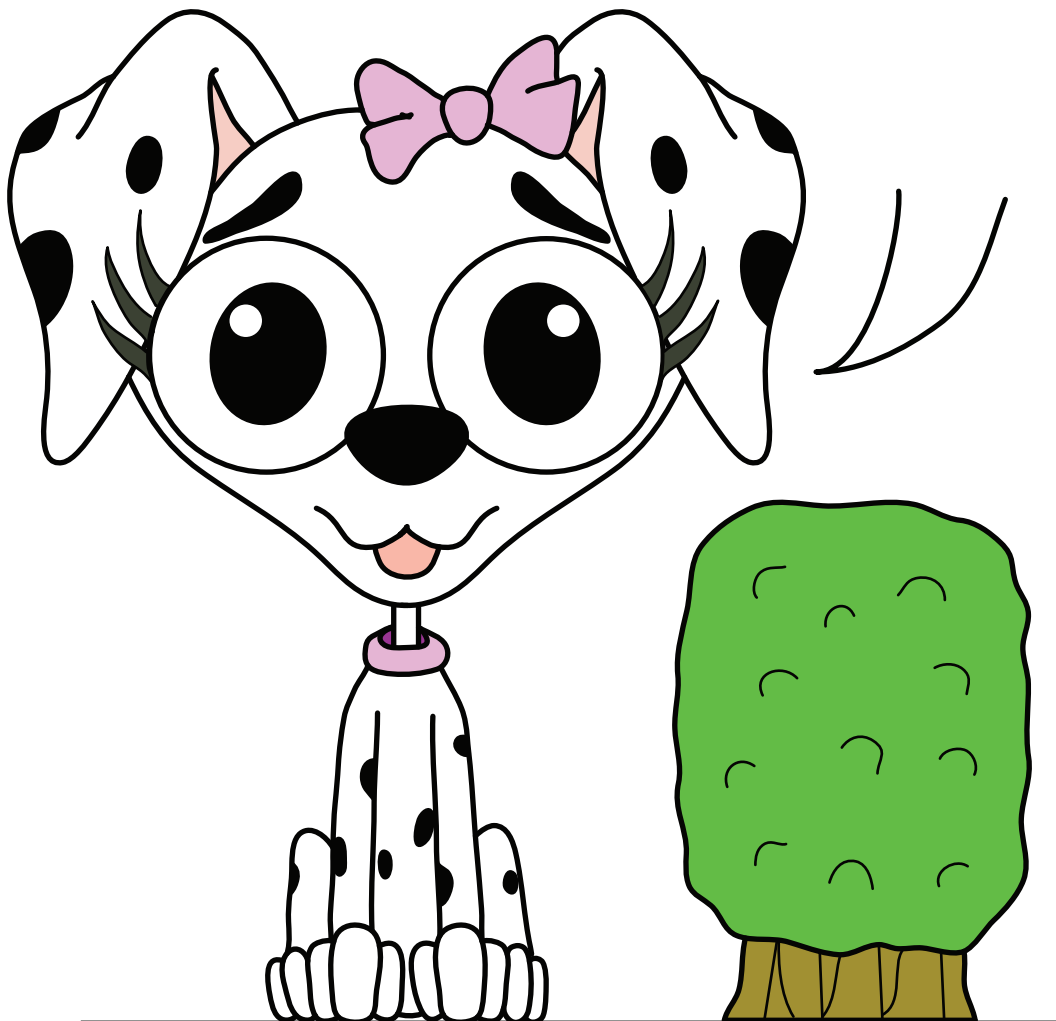

not be in the

slightest

resistant.

“Yes indeed
my good man,
for I am in need of a friend-

I need someone to
water
”
my favourite hedge.

So Hug

sneezed and he wheezed
and

he wheezed and he sneezed
and out came a

gushing flow of
fresh
wee.

“That is disgusting
and foul,”

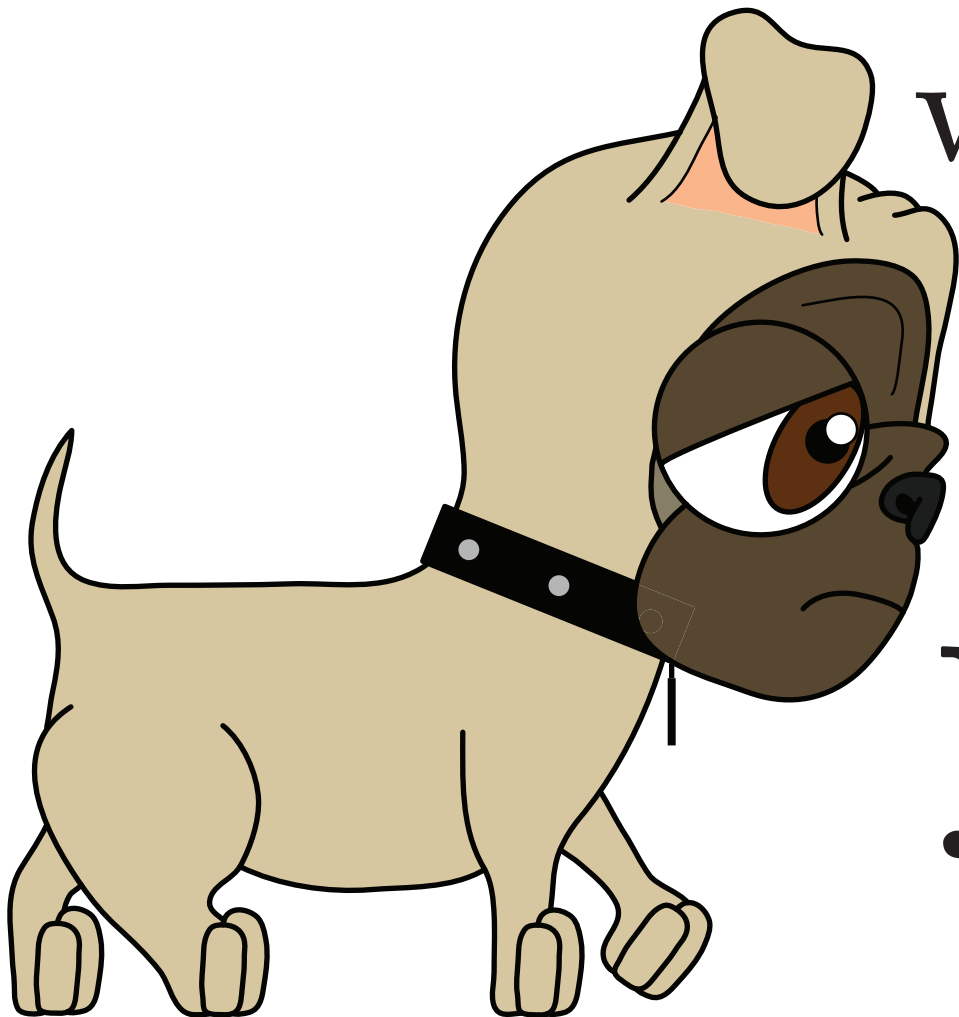

yelled
Dottie
at once,

“Get out
of here
beast

choke or go
on a leash.”

Sad
due to her
treatment
when he had been trying to
help, he immediately left
without
even
a
yelp.

However,
he soon met a
face with which to
talk,
and secretly hoped that
together they could
walk.

“I’m Chewy the Chihuahua,
said the fur ball
to Hug,
“I may be super hairy
but I’m not even
slightly scary.”

“

We'll make good friends
then,”

said

Hug

with a smile,

“

maybe

we should

hang out

for

a while.”
