This is a work of fiction. Similarities to real people, places, or events are entirely coincidental. If you should run across one of these characters in real life. Do not hesitate to contact me.

BOOK TITLE

I COME FROM HELL  
Earthbound  
Devil's Playground, 1

## PROLOGUE

One day an angel will rise from the Black Earth covered in black and red ash! A dark angel from the blackest place in all of Hell. And could only come from one place. He will be the most feared and vicious angel that Hell will ever unleash on you humans and take orders from. This beast will come face to face with anything and everything that Earth and Guardian Angels will throw at him! They will try to stop him from his duty to Hell! His name is Will he is a dark angel. He is also known to many as Eurynome. He is Man's Will because Human's will search for this angel more than any other. When Human's run on weakness and temptation. They will search for an angel. A black angel named Will. He will satisfy every craving, urge, addiction and most of all Man's Vicious Tendencies. When he does not find what he searches for. He will continue to look everywhere that someone who will need to fulfill a temptation can find him. The angel name Will lives on Man's Weakness. That angel has come to know Man's Temptations and fed on them like the gods in hell command it. Behold Beware

Man will have no clue as to what happened. He will be in search of a Child that believers say he will help expose Satan's Dastardly Deeds! Earth Guardians will try to stop the demon or Devil that Satan will unleash on this Child. Earth Will Tremble with Hell's Words. He will ruffle the feathers in all of HELL! Earth's Guardians will follow them both sent by a Spirit to keep the odds in Man's Favor and that Child! It will intervene only and when it is necessary to stop that Demon from stopping that child.

Remember, every devil, every angel and every Human will create his own Heaven and Hell right here on Earth before he will be allowed to go

anywhere else? I want you to remember everything I tell you. Someday, I will not be here anymore to take care of you. I hope if I'm not that I will be somewhere close. If I am not so lucky. Either way I hope I can come back from wherever it is I am. If you should ever need me! Remember Billy! Remember everything I tell you in case you never see me again. Yes Dad ” he answered! Nothing human, nothing except the dark hovered over this place. A Horde of Demons wait for a chance to rise through the Earth. Ghosts and spirits of the dead that long for another breath will follow the others into an oblivion!

Minutes after something rises from the Black Earth. It is blanketed in darkness. A serenade of whispers echo from a being that Men in Cloth believe may have lived before man. To this Day Claim that he is still alive! A dark being that noone would ever imagine could return from an Eternal Prison in Hell. Yet something in the dark surrounded that area. It Made them believe it could be Lucifer or the Devil in disguise. A Loud screech echoed back from the dark in numerous smirks.

One whisper in particular echoed back from the dark. The name of a demon that could have been a fallen angel. An angel that fought with Satan against angels and beasts for a throne in Hell. Now a demon that became a prince in the dark of purgatory. An angel that commanded more prisons in the depths of Hell than the Planet altogether. It found that same fate that the Devil finds. That it is despised by the living. It still lives among the Humans. Nothing less than a dark angel that would rip other demon worlds apart to reach a plateau in a world of angels, demons, and devils.

Once they summon Will that angel from Hell! He will build a world of crime, violence and deceit. The

same angel known as Eurynome. They say he can appear almost anywhere on Earth in disguise. His large wings were nothing angelic. More like a prehistoric bird with numerous colored dark feathers that ran throughout his wings in a graphite leathery color. Each large feather had to be dipped in a dark blood red color. His feathers gave you the impression they bled. A sudden scream echoed throughout the hemisphere. Where are you Billy? Do you hear me? Nothing will or can stop my kind from reaching Earth. I will be Earthbound in a matter of earthly seconds! A constant Whisper filled the dark. It surrounded a barren piece of dry land where no human or beast alike could survive. Suddenly, Will that dark voice whispers. I hear he has been seen in a dark, deep voice that surfaced from the blackest earth. Numerous whispers say that Child lives. I am nothing more than a jester here in Hell. I want him found before he reaches his next Birthday. Or Purgatory and you like myself will pay the consequences. We will not just be ridiculed Eurynome. We will be laughed out of Hell! Find him before it is too late! This is my order and those that live in my darkest fears! Before I leave Hell to do it myself. If I leave here first. You will never step foot in Hell ever. I want that Child Eurynome before Heaven Laughs down at me and Hell's Angels. I will find him Father! I will not fail you! I need nothing except that Child's Scent. His destination lies in a World of Humans. I need to know what part of the World so I can start my search for that child. To begin my search for that Child. I will need something to tell me where to start or I will be a fish out of water! Before I leave Hell, father.

Within minutes a wall of fire explodes in a massive cloud of graphite colored smoke. Like a massive pile of cars exploded or an electrical fire that engulfed a

busy highway filled with vehicles. That allowed car exhaust to rise into the skies.

A Tall Male 6 feet tall in dark hair stepped forward from a ball of flames, into a graveyard that looked abandoned from Centuries of Neglect. And vanished into a cloud of rising graphite colored dust lie the dead themselves blanketed him with their dust. Several words fall from his mouth before the dust even touched the ground? Earth “ Will whispers! I have made it Boy. He Raised his large bone skull head. His dark almost black eyes stare up at Heaven as if he mocked the Heavens. Like he already won with a smirk on his face the size of the United States. I will find you Billy! You know I will? Only Earth's Angels have a chance to stop me from my journey and yours! Which, I highly doubt they will for some little boy like you! Now, he can feel his first breath of many that follow, h-u-u-u!

## Chapter One Rule

A Church Name St Williams Worked with Orphan Children. They help Families to survive an ordeal. Children gather together at St Williams Orphanage to listen to a Sister Read from a Bible. One Day Angels will fall from Heaven and Rise from Hell. They will search for an army of demons that Satan will gather here on Earth. Here in search of Messengers that Heaven Unleashes to stop Satan's Evil! Or too let the Devil know that Heaven knew as well. What the Dastardly Devil has in store for Humans.

Several Messengers will be sought by the Devil, demons and an army of creatures until that Day comes. The Day they will be found. Earth Angels will try to stop that Demon that Satan will send after a young boy. A child that will see Good and Evil in Humans on Earth. The Devil believes he will make a difference in the lives of Mankind and Many to come.

By the way Children, my name is Sister Alaida. I am here to tell you another Story that I found in a Book Written about a Devil and Demons. It's a Story about a Devil who felt he could do what he wanted. We know no one can do anything they want except, GOD. Because Angels Good or bad besides us Humans. We must follow the Laws of The Bible and the Land like were supposed to right? She turned another page to look for that Story.

Children in black and white Uniform sit on a wood floor. Start to ask multiple questions in return. Sister Alaida cannot find that page fast enough to please her flock of Children.

Several Children immediately raise their hand to ask one question after another. Who won that fight Sister? Did Michael fight with Satan, instead? What about Gabriel did he intervene or did another Angel kick his butt all over the place another child yelled! She laughed at each question one after the other. Children shot them at her one after another. If you are quiet long enough. I will tell you that Story that is of course you are still long enough to listen. Okay, ' one Child shouted. Another agreed to be quiet the entire time Children slid forward toward a beige colored cloth arm chair where Sister Alaida sat to read from a thick book about a Devil besides his Mission on Earth. It all started many, many Years ago. Satan an Angel in Heaven. He fell from Heaven after a fight broke out between him and other Angels. Satan is supposed to be the Most Beautiful Angel in all of Heaven. The Bible says he was God's Favorite! It Caused a lot of trouble throughout The Heavens. A silence followed throughout Heaven since.

Send his flock of beasts into a heaven of their own! Which will be known to every Angel as hell? There he will become god to command others. It will be known to us as the fallen those that fell from Heaven! A dark prince of

purgatory, an unholy ruler, filled with nothing except darkness and every impurity.

Every Angel will know you as Satan's Fallen. Satan had a few words if not ideas of his own. I will dwell on the misery of those pathetic Humans from this day forth. Messengers will spill Stories to Prophets, Writers will write them throughout Eternity. You will fall from Heaven. You will become an angel unlike any Angel in Heaven. You will have everything that you come across both on Earth and in Hell. Everything that lives on Earth that walks, crawls and slithers your way will be like you. You will leave everything else behind! You will return to a world that I have prepared for you my Son. A heaven of your own. A serenade of loud laughter echoed from Heaven and throughout The Universe. Everything that lives in between will be yours from now on my child ha ha ha!

As soon as their skin touch the other side of Heaven's Gate. Wings turn a dark color, faces began to smoke in a hideous form. Eyes went from a Heavenly glow to the color of yellow and gold filled with flames. Each angel looked like it cooked from the inside, out. Satan fell from Heaven. On his way down. They can still hear him yelling up in Heaven's Direction. That someday he would like to be forgiven! The Sky turned black for 3 Days this is his way of saying that God Parted ways with the most beautiful angel in all of Heaven. From what is written and said. Evil and darkness intertwine. Darkness

rode into Hell all alone! He is followed by a coffin that a green man on horseback dragged from behind. They say that the green man will be the one with authority. Alaida raised her head to take a look around. She found half of her Children asleep, the other half still amazed with what she read from a Book that resembled a Bible. She noticed one thing that she forgot a number of sentences? A number of the devil's angels followed Satan out of Heaven.

I have another Story that I will share with you tomorrow. It will explain Satan and hell's angels much better. Sister, we want to know how it ends. I don't like to know a piece of a story. You will just have to wait Damian. I can't tell you until Tomorrow after we eat breakfast. Tomorrow, I will tell you the rest of that Story which is the way it is Damian. Before, she started to rise from her seat. Damian remained sitting down on a wood floor in the Reading Room. He is slightly upset because he could not bring himself to what Sister Alaida says. He wanted her to finish reading that Story no matter what. She had to read it anyway sooner or later so why later " he thought. He reached for a Bible instead that lied on top of her seat near the center. I will read it myself " he mumbled. After, he opened the Book. He realized some words were too big to pronounce and whispers. Maybe later.

The following Day Sister Alaida waited in the Reading Room to fill with her Students. She

opened a Book real slow. She caught Damian smiling at her from the floor. I was going to take your Book yesterday to read it by myself. I know you would know if it is missing. She smiled back at Damian. I think we should begin or we might never finish this Story. She turned to a page that she picked out sometime, yesterday. If anyone should look for you it will be your tail! What tail ” Damian Asked? Something protruded from his butt a long 6- foot whip with a pitchfork at the very tip.

Children sit down to listen to Sister Alaida talk about Angels and angels that would become hell's angels and belong in hell. When Evil people die they became a ghost before they become anything else. They end up in a place in between the dark and light. That dark demon disciple's fate will lie undetermined until he musters the strength to crawl up through the dirt. He Will have to decide what he will do, which will determine his direction in the afterlife.

Earth Angels fight against this god of darkness known to all as the Prince of Purgatory. He will wage wars among Countries and Humans. He will reign, forever in the kingdom of Hell. Known to countless Humans as the Devil's Domain. Satan is now much smarter, faster and more relentless in his pursuit against Earth's Angels! We must not to break God's Commandment. Remember Class God's Commandments! They sit down to Read

The Ten Commandments for the next hour! They Say a Prayer when they finish, afterward. Right after lunch we will finish what we studied today. By the way Students will have a new group of Children in class at St Williams Orphanage Early Tomorrow Morning. I will start a new Chapter Tomorrow this time it will be about Angels who ran things in the Bible. After, lunch John Cuss announced that a bus entered the gate with a brand new flock of Children from Family Services. There early Sister I hope you have room to teach tomorrow. I just found out they arrived. Hurry Children finish your lunch this way we can return for a further reading. I have to introduce myself to the New Children, Sister. Children will be confused with their brand new surroundings. I must help them “ she said.

## Chapter Two Guardian Angels

A Young Boy 10 to 11 Years Old knelt down alongside his bed to Pray. He placed both hands together until both palms rubbed against each other. A tiny bead of sweat rolled down the center of his forehead down on his nose. He smiled at a small boy that lied on a bunk next to him already in his pajamas. Before he turned away, he closed his eyes and started to pray a Prayer that his Father taught him. This is before he was taken to prison for committing a crime that involved drugs and lies.

I Pray you watch over my Friends, Family and Chucky. I know you're very busy. You probably have a bunch of kids like me to watch over. All I really need to know when will that Demon that sat on the edge of my bed return. I want him to know that my Guardian Angel will watch over me until he leaves. Until they can catch the Devil in his dastardly dirty deeds against us Humans!

I place my trust in my Guardian. I know if the Devil should take my Soul in the middle of the night. This is my Prayer to my Guardian, which is all I have. It is all I will need. I pray that he heard my Prayer. To that Angel that Gave an Order to watch over me in Heaven. He raises his tiny head to smile. He Made the Sign of the Cross. Do you know his name Billy or do you just Pray that you have a guardian? I do not know my Father told me everyone has a

Guardian including him. He could have lost his when he did something wrong or did evil deeds. Why is he gone? He chuckled before he slipped beneath his blanket. I do not know for sure Chucky? Do you know why he's gone. He climbed to his feet real slow. He crawled back on top of his bunk. He pulled his covers down before he climbed underneath. Good Night Chucky he turned his head in the opposite direction to face a wall besides a small wooden beat up end table. One teardrop rolled down his face that landed on his clean white bed sheet, hmm.

Finally, he closed his eyes. He visualized his Father somewhere in a jail cell. He whispered “someday. I will see you again. There is one thing I would like to know. If you see my guardian ask him to warn me when a Demon is on his way. Good Night, Dad!

Billy closed his eyes. He finally fell asleep after a tall Male in a Police or a Security Officer's Uniform walked down the middle of the Dorm. An aisle filled with single bunks on both sides. Two rows of beds, one bed lied directly across from the other yet together. It had to have 30 to 35 bunks in each Dorm. Lights out “ he shouted. He flicked a flashlight on every bunk, afterward. I will be back in 45 minutes. You better not be talking or sitting up in your bunk. I mean it kids or else. Lights went out that same Male Security Officer disappeared

behind a door that led into a hallway that led to several other Dorms in the Orphanage. Minutes after Chucky started to giggle. He woke Billy from his sleep after almost falling asleep, instantly. What do you want Chucky “ he mumbled. He turned around to face Chuckle’s Bunk. It sat to the left of his bunk. Another Orphan had a bunk right across from them. I want you to finish telling me about an angel that chases you around in your Nightmares, Billy. He cannot see me because he has been trying to trick me into telling him where I live. He wanted to kill me Chucky! I do not know what I will do. I told Father Finnegan. He told me I was having a bad dream. Every day he got closer and closer. I keep Praying to my Guardian except there is no Response. Maybe he is asleep. Maybe you should Pray harder. Maybe then he will hear you? I did not try that Chucky. Maybe, I will try that next time instead. He lied back down on top of his bunk. I have a good idea why don't you tell him what I look like instead so you can get a better look at him Billy. I never tried that neither. I will try that next time I see him. I will tell him that you’re Billy. Chucky, I think you better get some sleep before Finch returns with his butt kicking stick. It seemed he really liked to spank Orphans from what it looks like huh, Billy. Someday, he will get what he deserves Chucky. I think we should get to sleep before he comes back. Just then the door opened. Both boys return to sleep just before

the door closes. A flashlight lit up the dorm on the right then it lit up on the left. Billy found himself hiding underneath his blanket. Chucky acted like he was asleep just before that same Officer in a dark blue Uniform walks by. He aimed his flashlight down in Chucky's Face, which he hid underneath his blanket. He stopped in front of Billy's Bed. He aimed it down in his face to look into his eyes. You guys better go to sleep or I will write you up. Do you hear me! He walked back down the aisle. He aimed his flashlight to his right at the other side of the Dorm. He started the same process. He pointed his flashlight down into each Orphan's Eyes to look for a response. I am not going to tell you again. I am warning you. You better get to sleep or else. He reached into his shirt pocket. He started to write something down like he caught someone awake. He stopped at bunk number 33 warned him again before he wrote his name and number down. I will be back in 45 minutes. You better be asleep. Or we will start cleaning the Dorm. I will have you sweep, mop and dust if I catch anyone awake. My name is Finch just in case anyone is new and does not know my name. I will be back in 45 minutes Chucky. Do not let me catch you awake. You will be the first kid that I have scrubbing toilets. You hear me you little troublemaker then the door closes, afterward.

Billy drifted off to sleep after whispering a few words to his Father that disappeared some time
