- 3- Mave, The Self Reliant
- 4- Mave, The Brave
- 5- Mave's Prince
- 6- Mave's Family

# MAVE

It's quite simple really. My name is Mave, Mave Mathers. I'd like to think of my adventures is just that, an adventure. It makes perfectly good sense to me. I'm like an unwavering kind of girl with a purpose to go explore interesting things in life. I never know what to expect and sometimes I can get into some pretty unusual unpredicted situations. I guess you can say that my life is never boring as I'm always making up for those situations. Don't get me wrong. I like trying different things. For example. Me and my older Brother Miles. We do share things in common

and he does that pecking order of siblings, you know, like sometimes ordering me around, and I know its for my best, after all he is two years older than me, he knows more than I do within those two years of obtained experience over me. And I do try my best to mind him as our parents said. But he knows well of all my, S-I-T-U-A-T-I-O-N-S , but keeps to himself with one eye on me. I know this because I have heard him cracking little laughs after I've done so.

# Mave, The Irish Lass

One of our shared interests is irish dancing. Mother made sure we had classes and we are both very good at it. Very good indeed, as you can see.

But with me? By myself, I seem to  
be whimsy to show my over  
creative talent and just go for it.

## Mave, The Self Reliant

My philosophy is this. If  
YOU want to do  
something right the first  
time, YOU must do it  
yourself.

As today's modern woman does, I have my own technique to much hard earned work, called, a job, career, call it what you want, nevertheless, an independent, self reliant worker.

The Baker...

I'm very good at baking.

Umm, not so bad at it.

When I tried to bake, it  
did not go quite right.

I'm sure I did good...I

just don't know where  
all the white cloud of  
dust came from.

My chores keep me busy. Take Laundry for example. A very easy task to do, just put in my dirty clothes, sprinkle in a few laundry soap, turn on washing machine, let IT do its job, and just wait and watch.
