*One day Grace was walking along the beach when she heard a strange noise, she looked around and saw the sound was coming from the ocean. It was a hurt dolphin; somebody speared the poor thing right in its fin. I'm going to find out who did this and they're going to get in deep trouble!*

*Grace took it to her house, she showed it to her Mom and Dad, they said she could keep it till she got better. Grace put a bandage on the dolphin and then with the help of her parents placed her in a saltwater tank. Grace is sitting by the tank looking at this sweet hurt dolphin and says, "you such doll, that's it I'll name you Dolly!*
