A simple smile can spread for miles...

And that is very true.

How fast or far it travels,

Depends on none but you.

Keep smiling.

-NN-

There was a shark  
that liked to eat

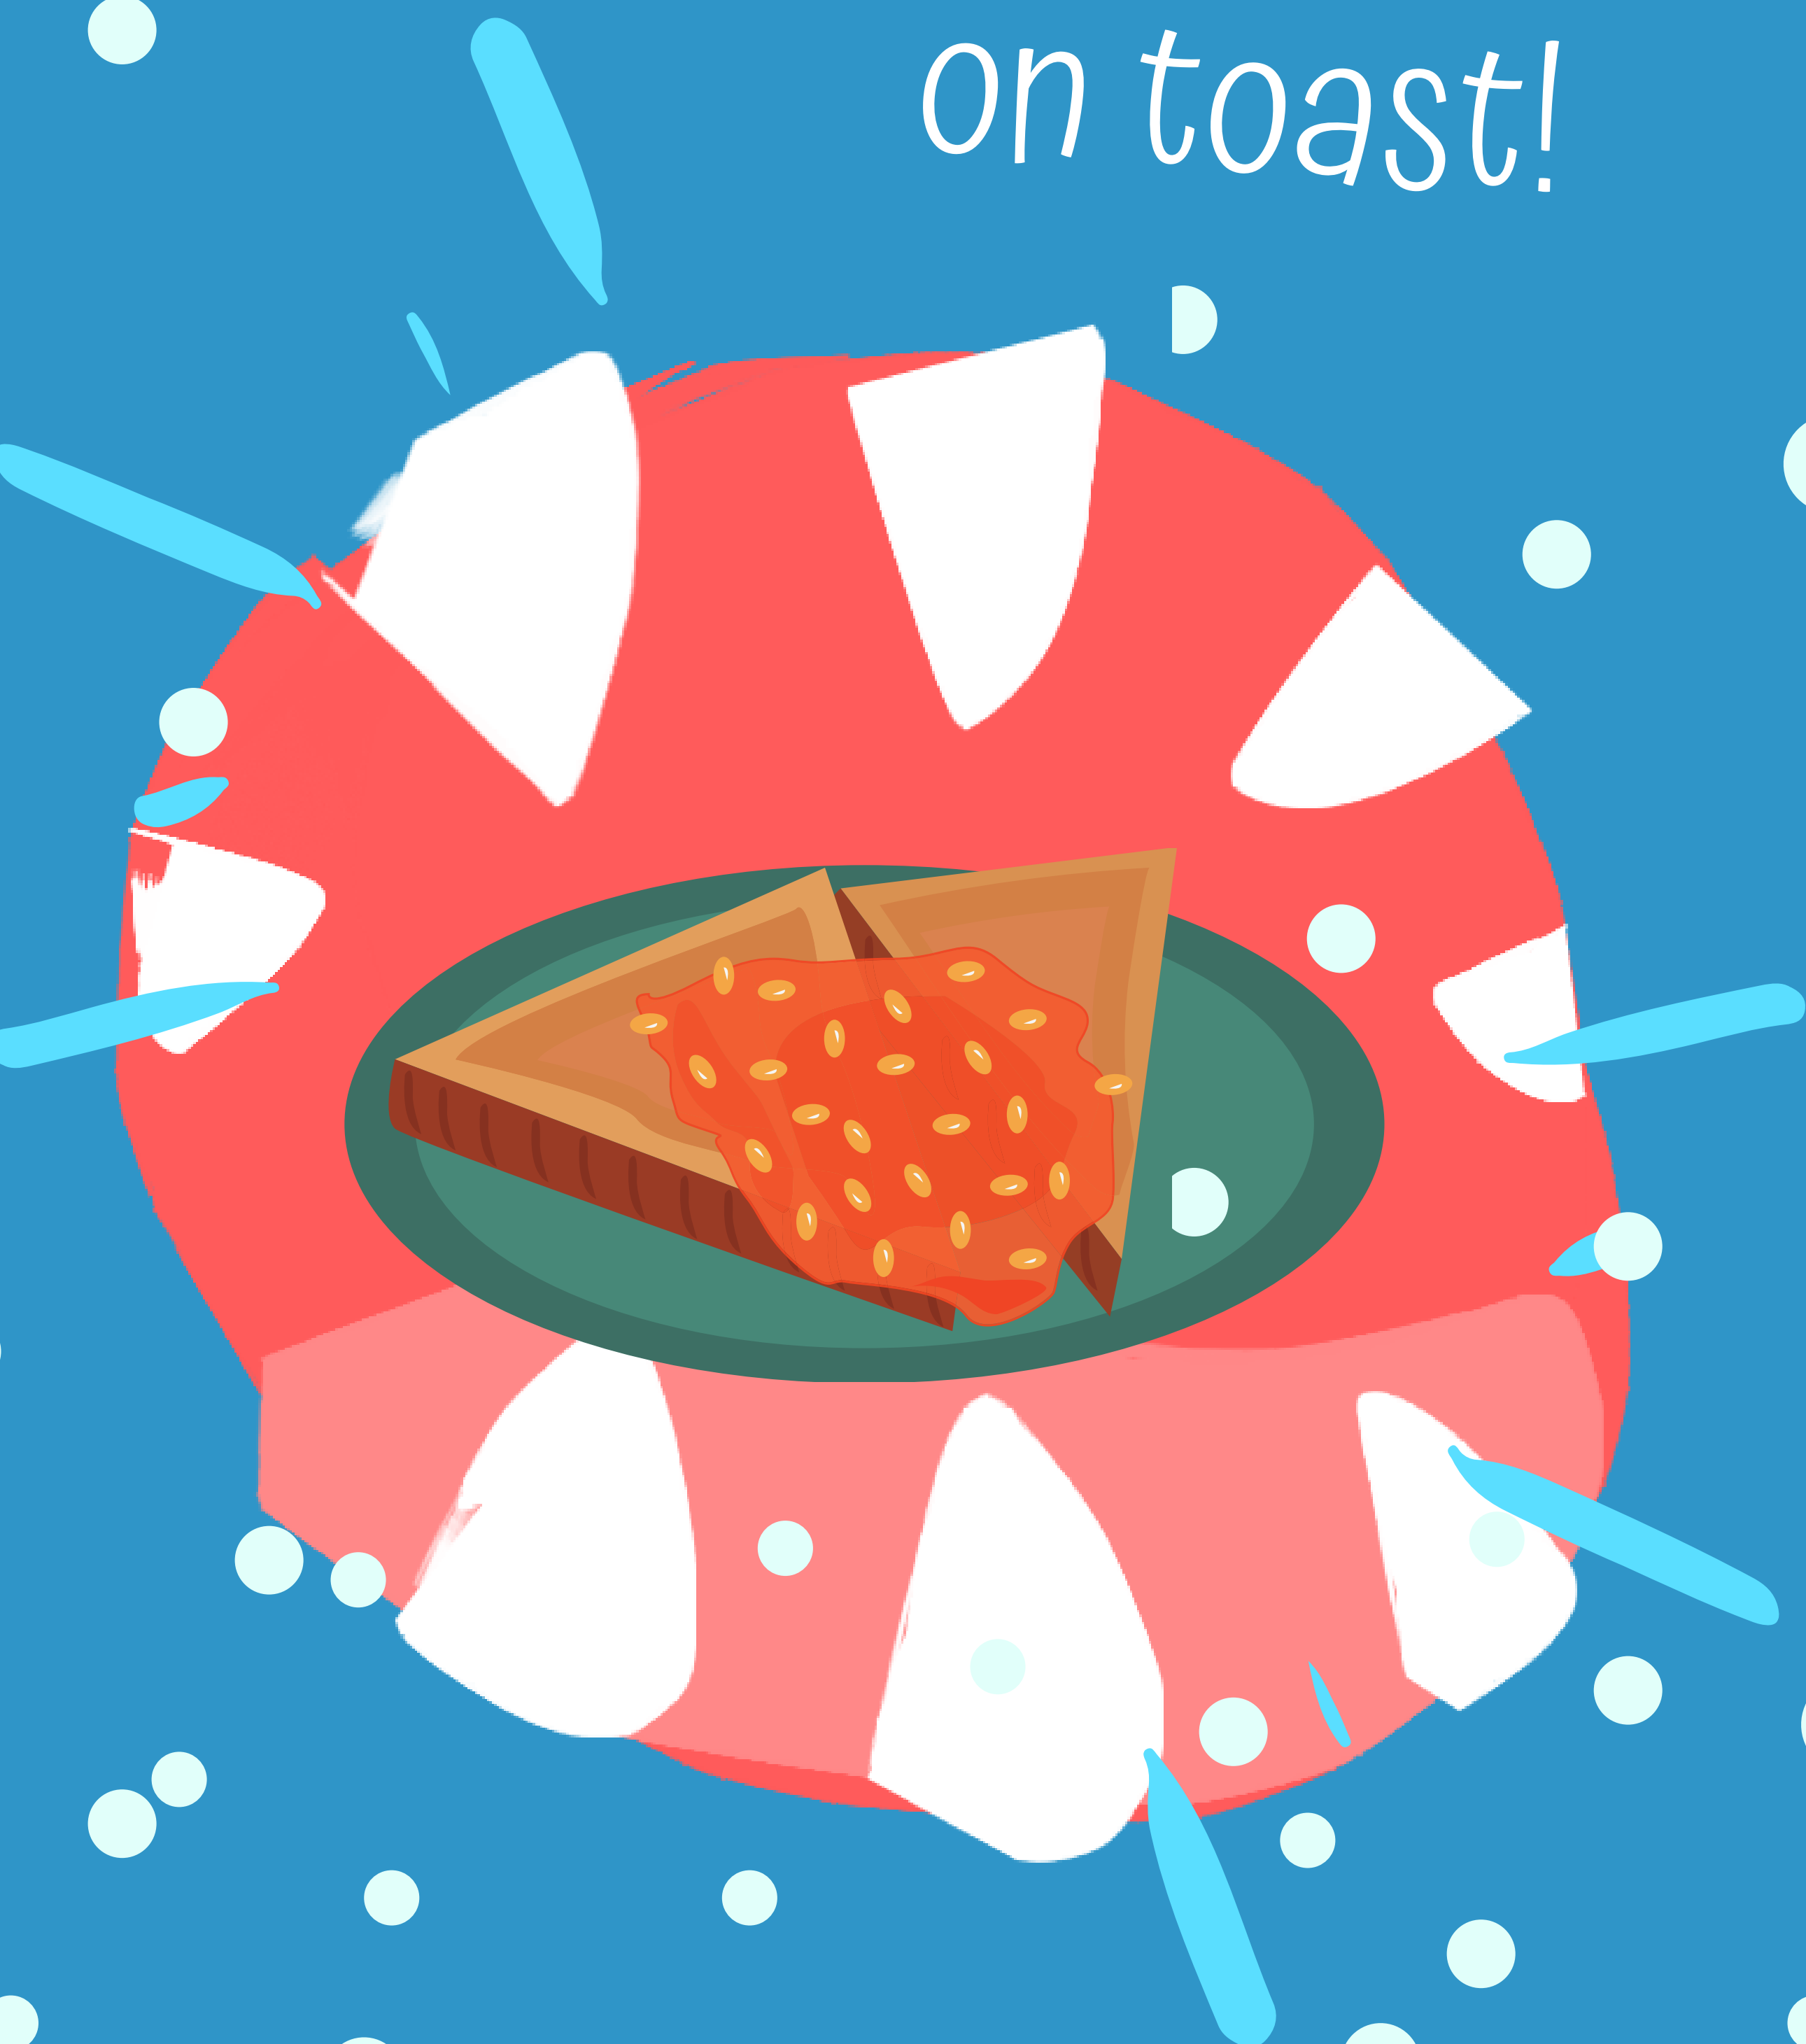

a little  
**MORE**  
than most...

Like crates of squid  
and jellyfish...

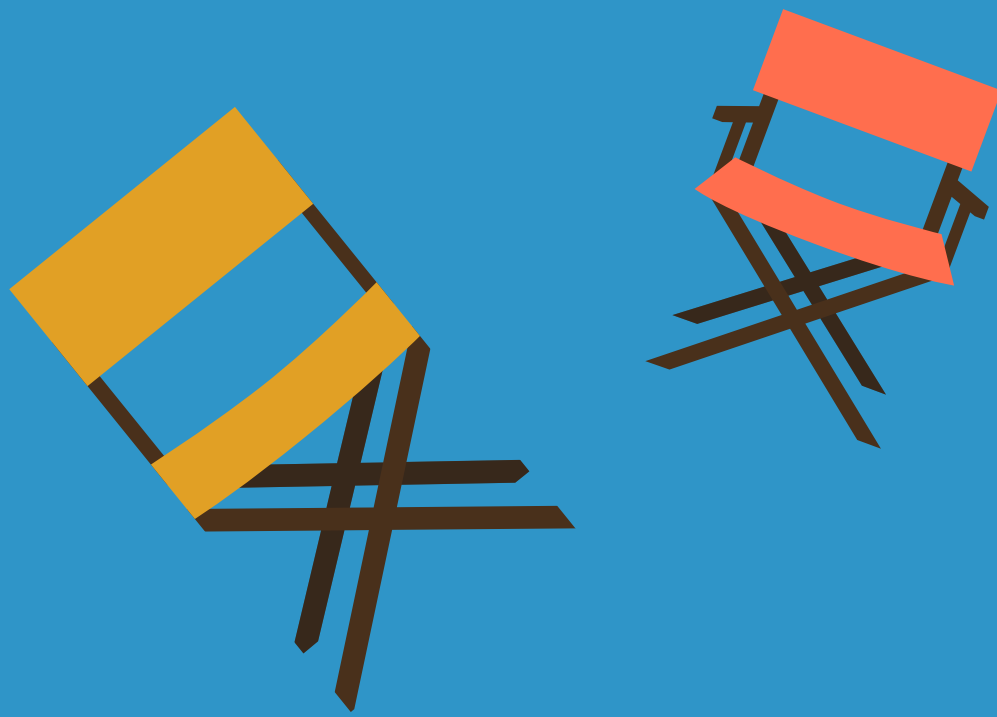

And even beans

on toast!

And a polar bear....

And a  
wobbly  
chair...

The top of the image features stylized, layered rain clouds in shades of light green and white. Below the clouds, numerous light green raindrops of varying sizes are scattered across the upper half of the frame.

And a very wiggly worm...  
And clouds before the storm...

A red balloon...

A silver

spoon...

A spotty snake...  
A rainbow cake...

Planet Mars...

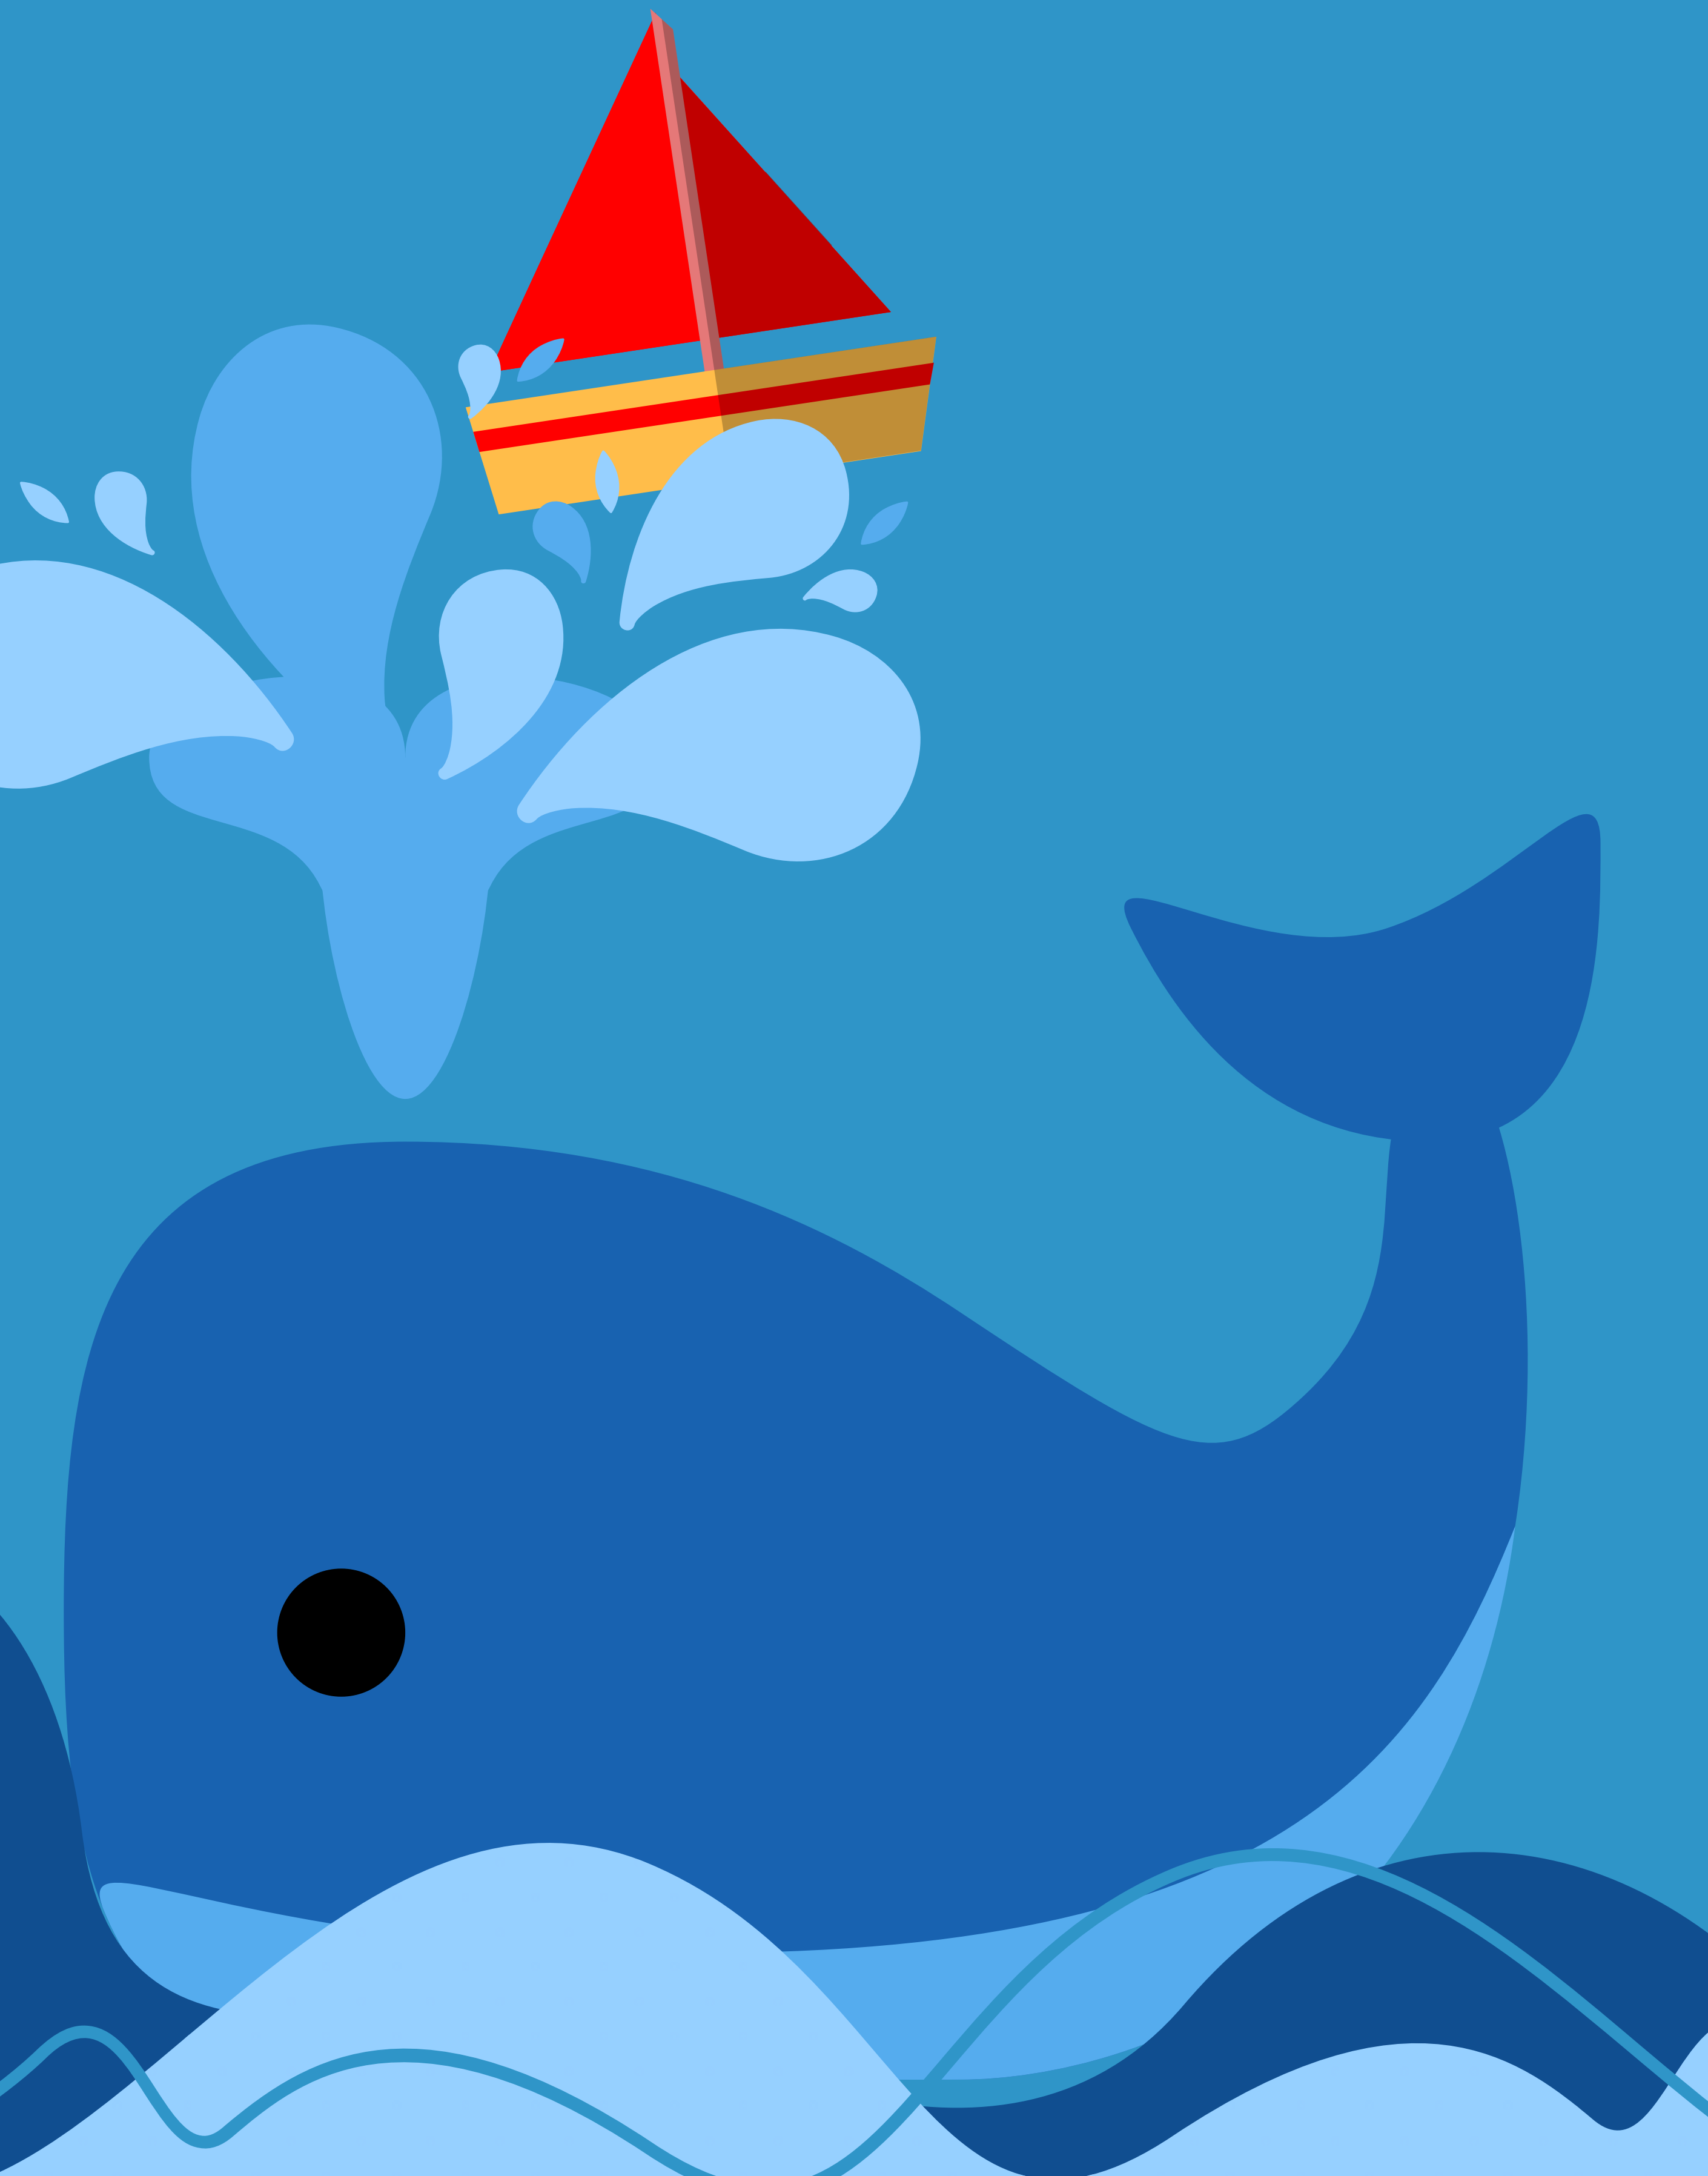

And a bucketful of  
candy bars...

A great blue whale...

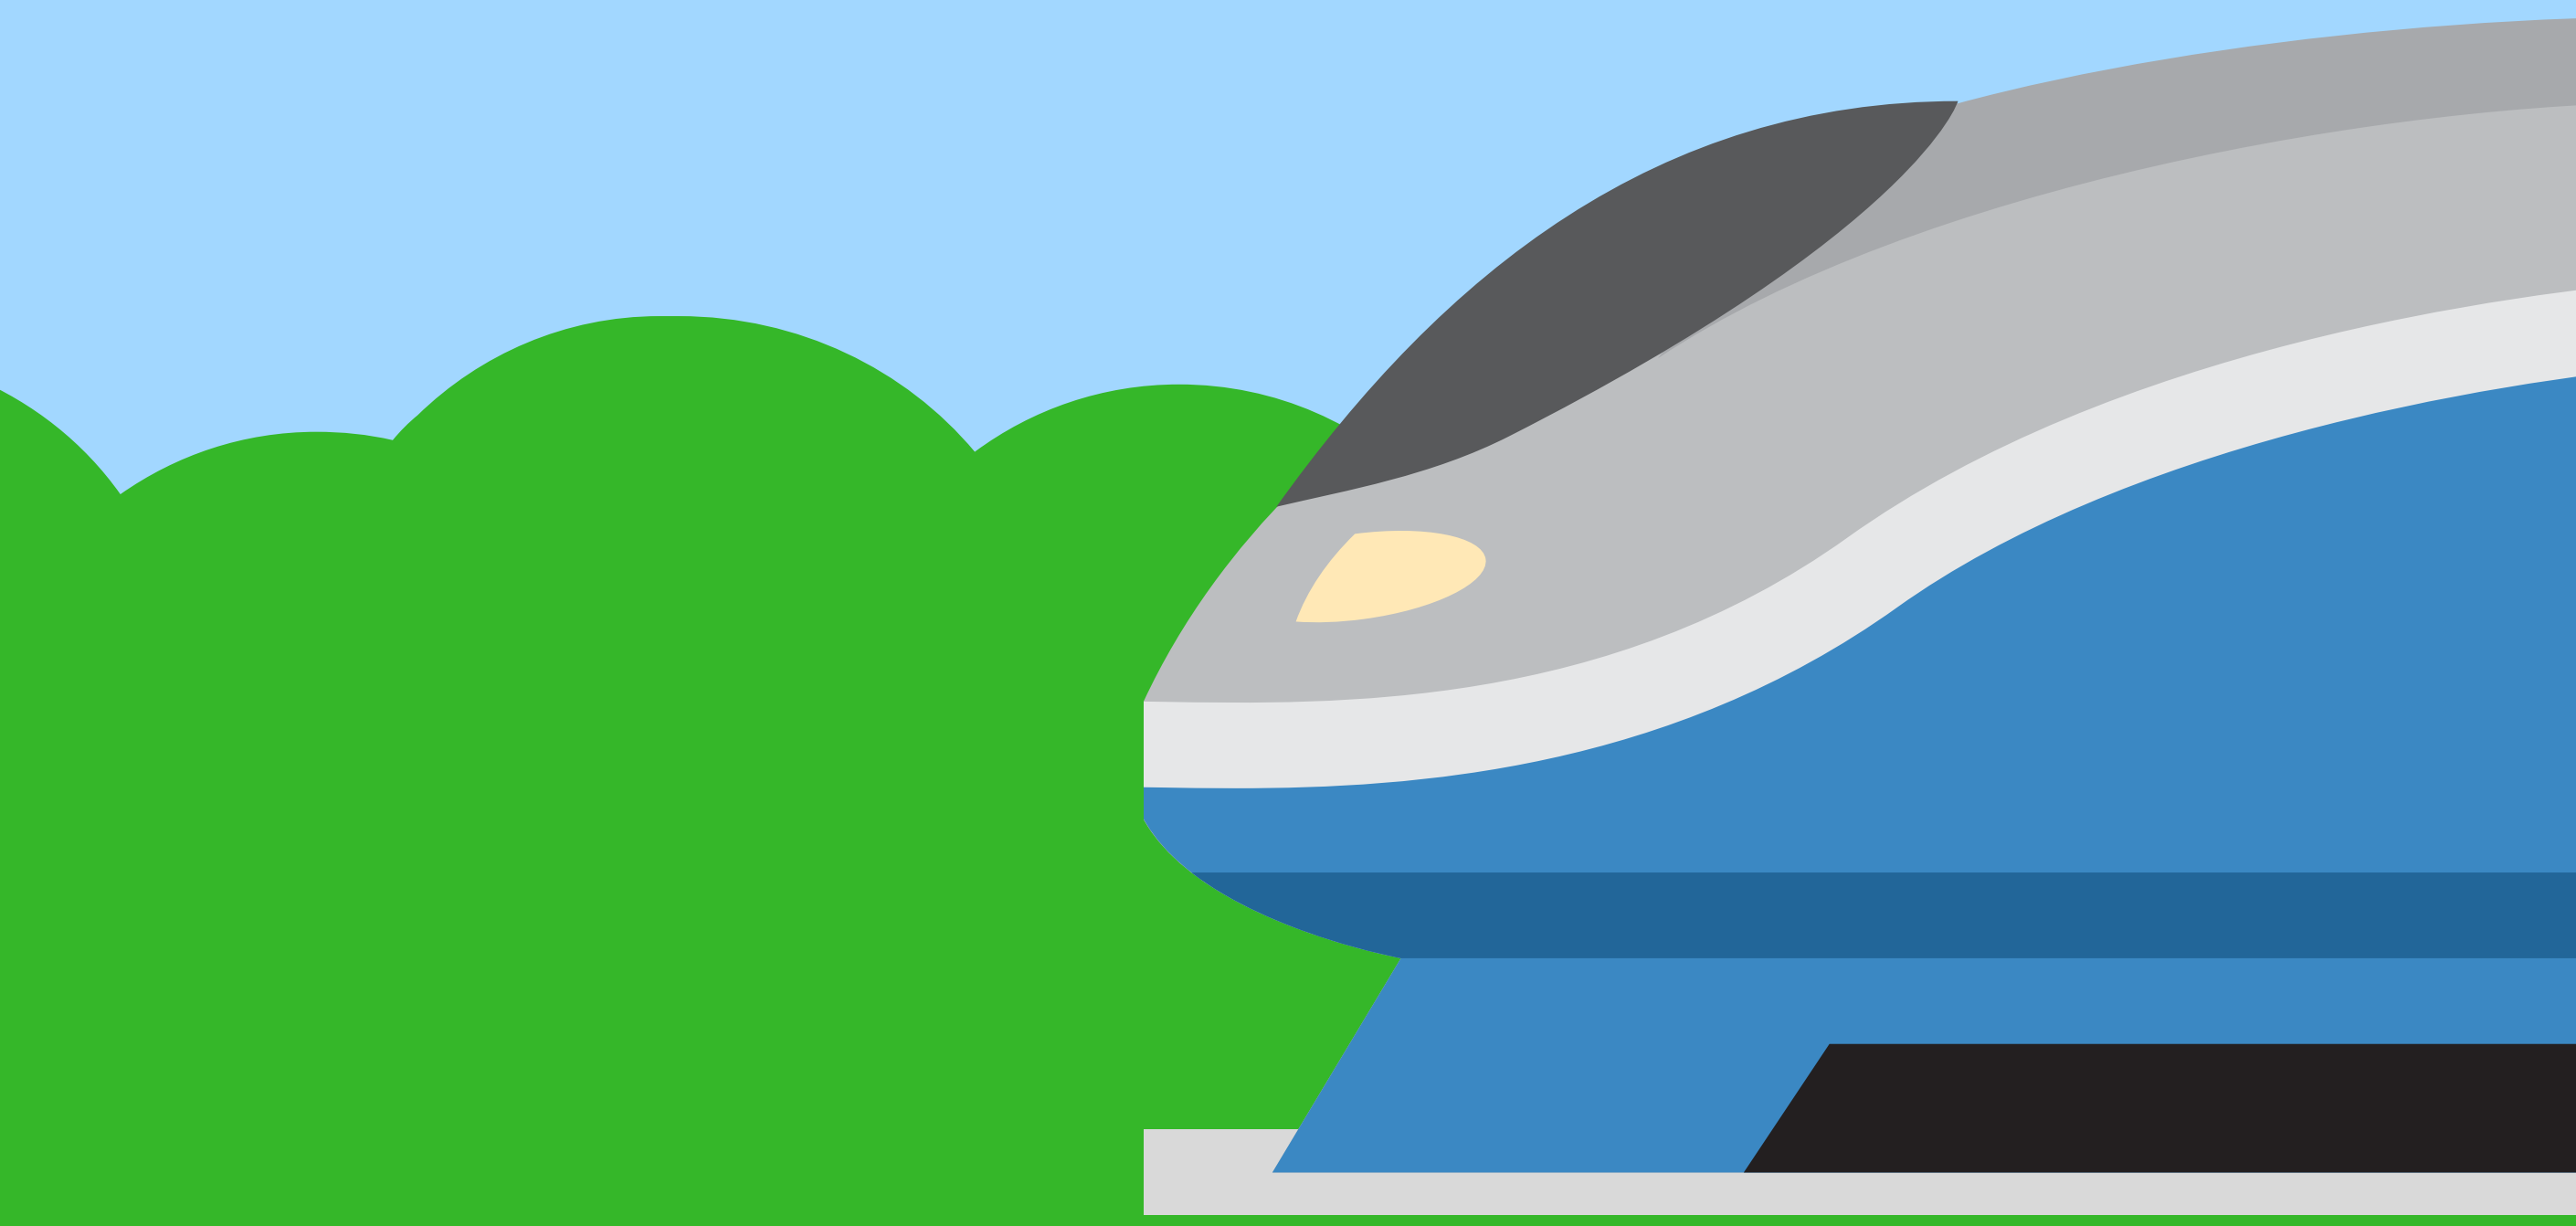

A boat with a red sail...

A noisy airplane...

A speedy bullet train...

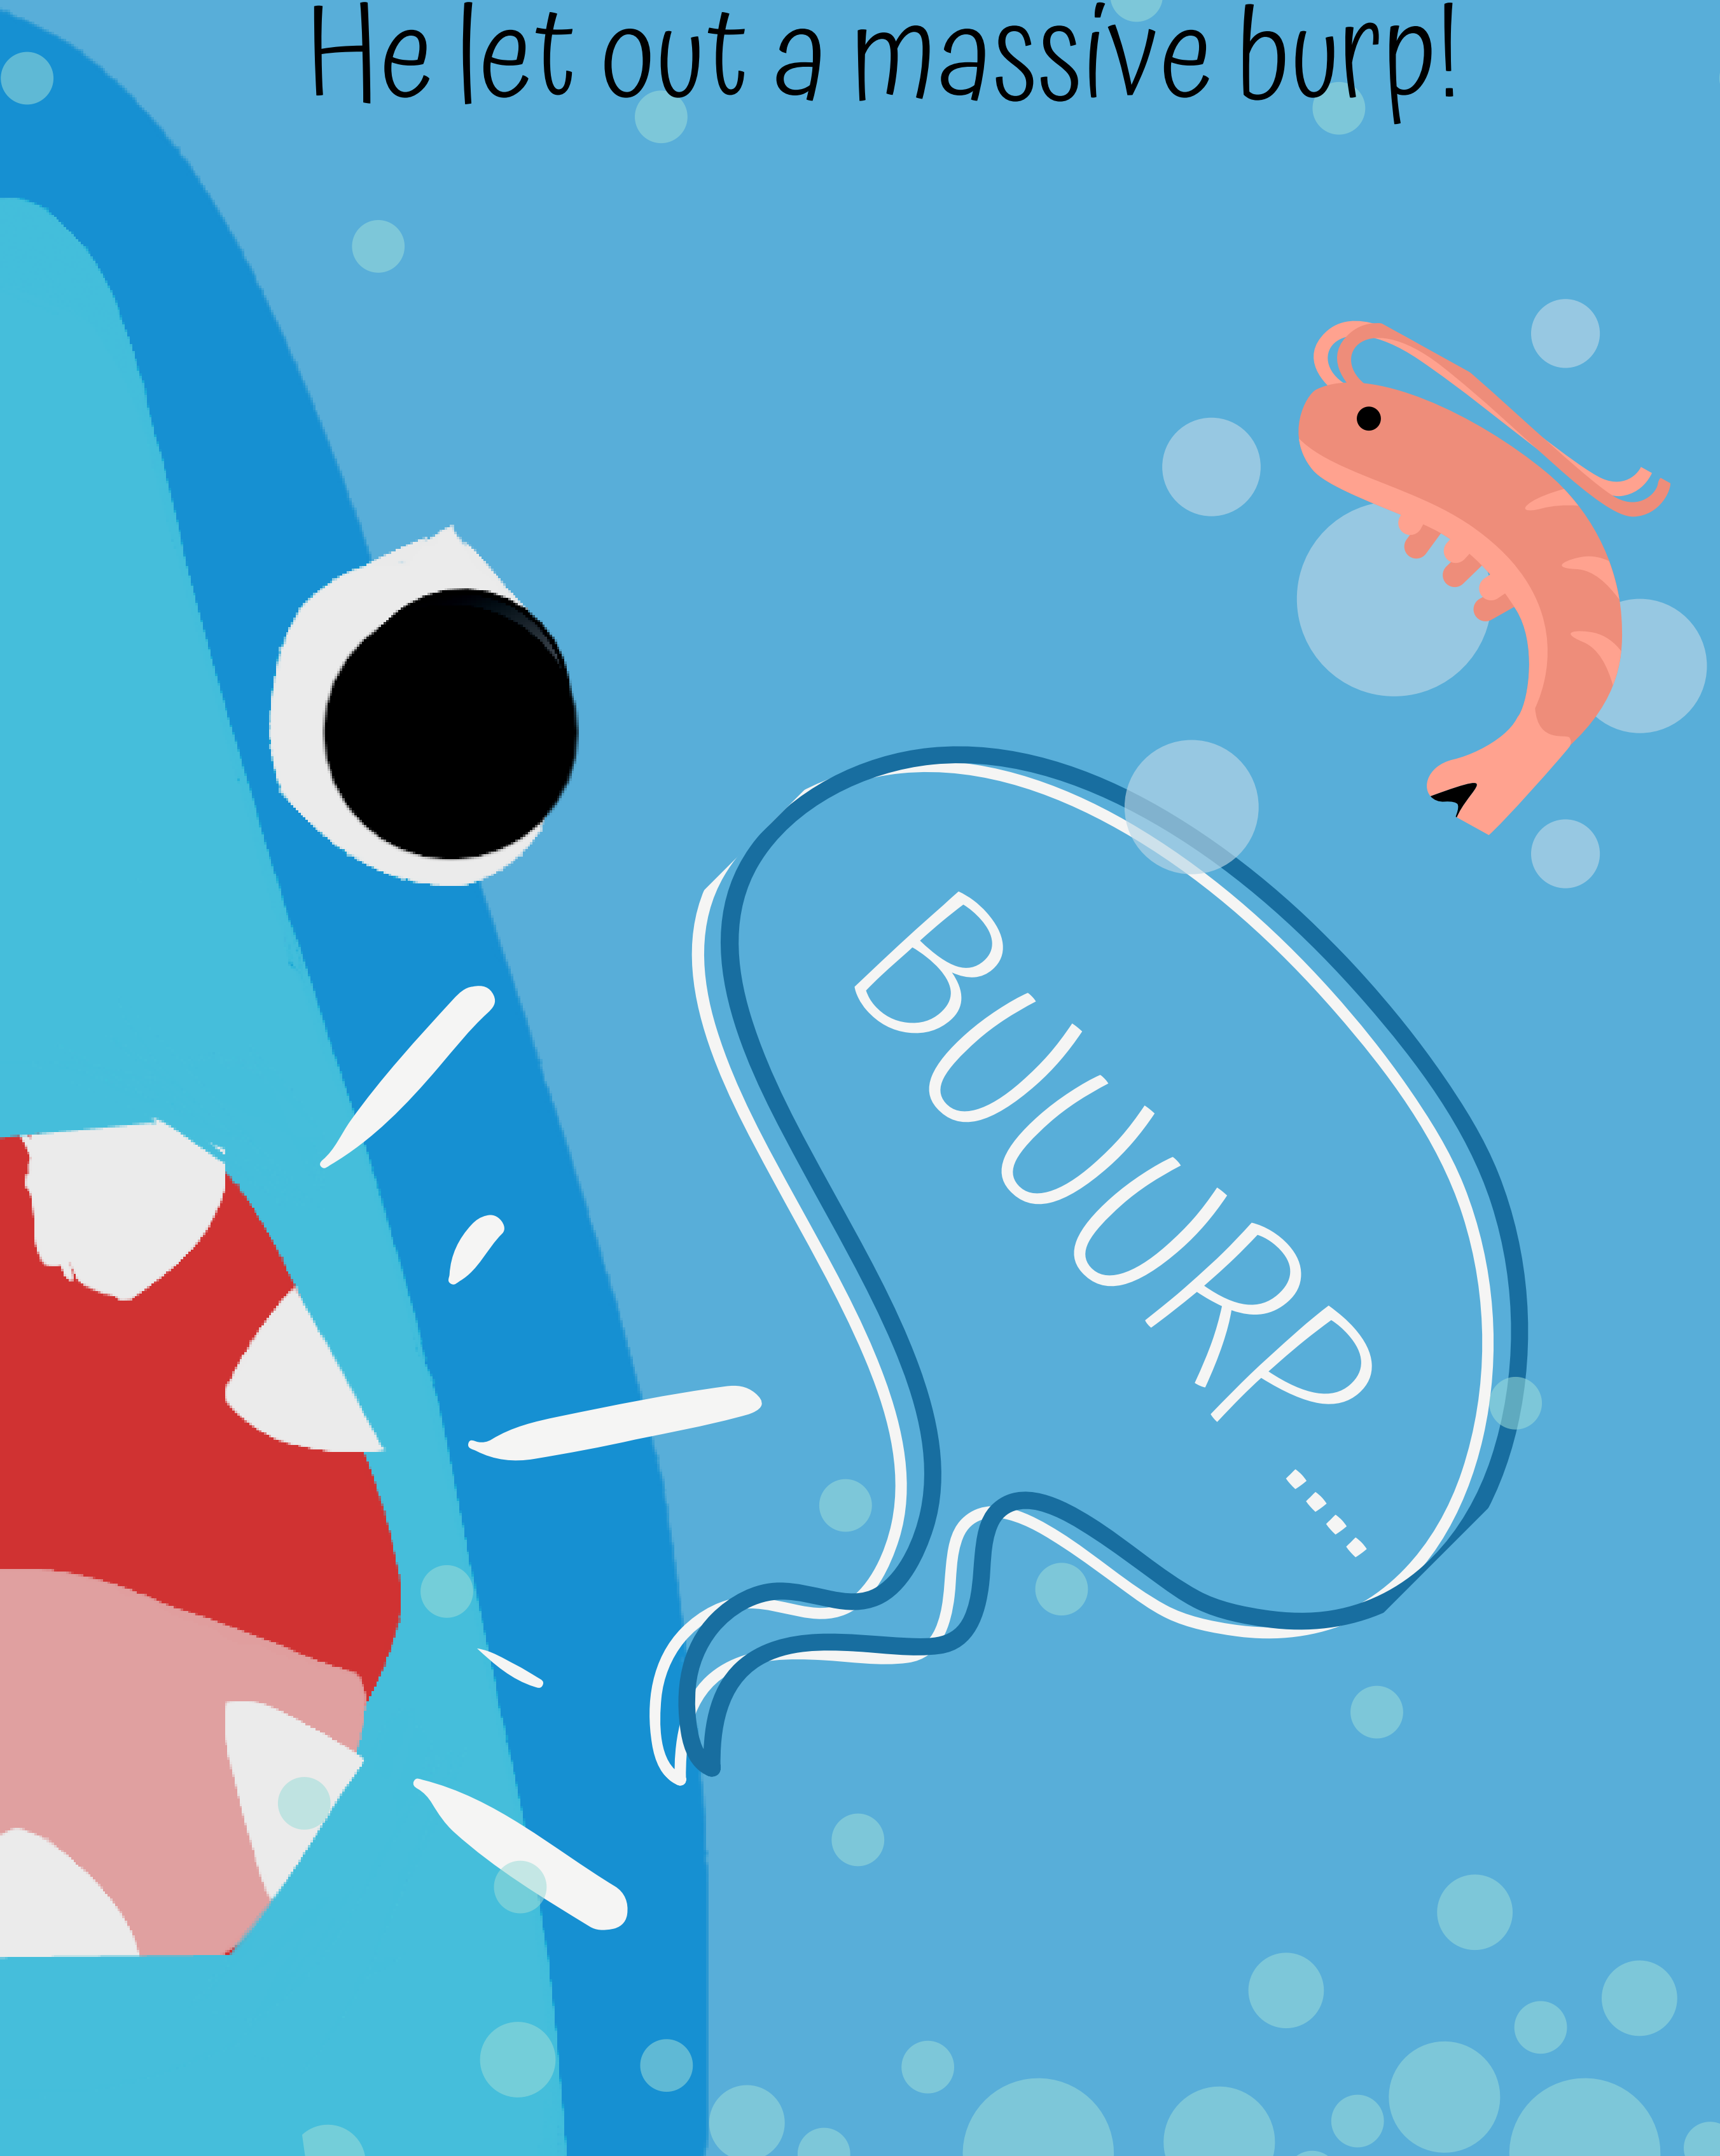

And then a  
playful chimp,  
Which he swallowed  
with a slurp...

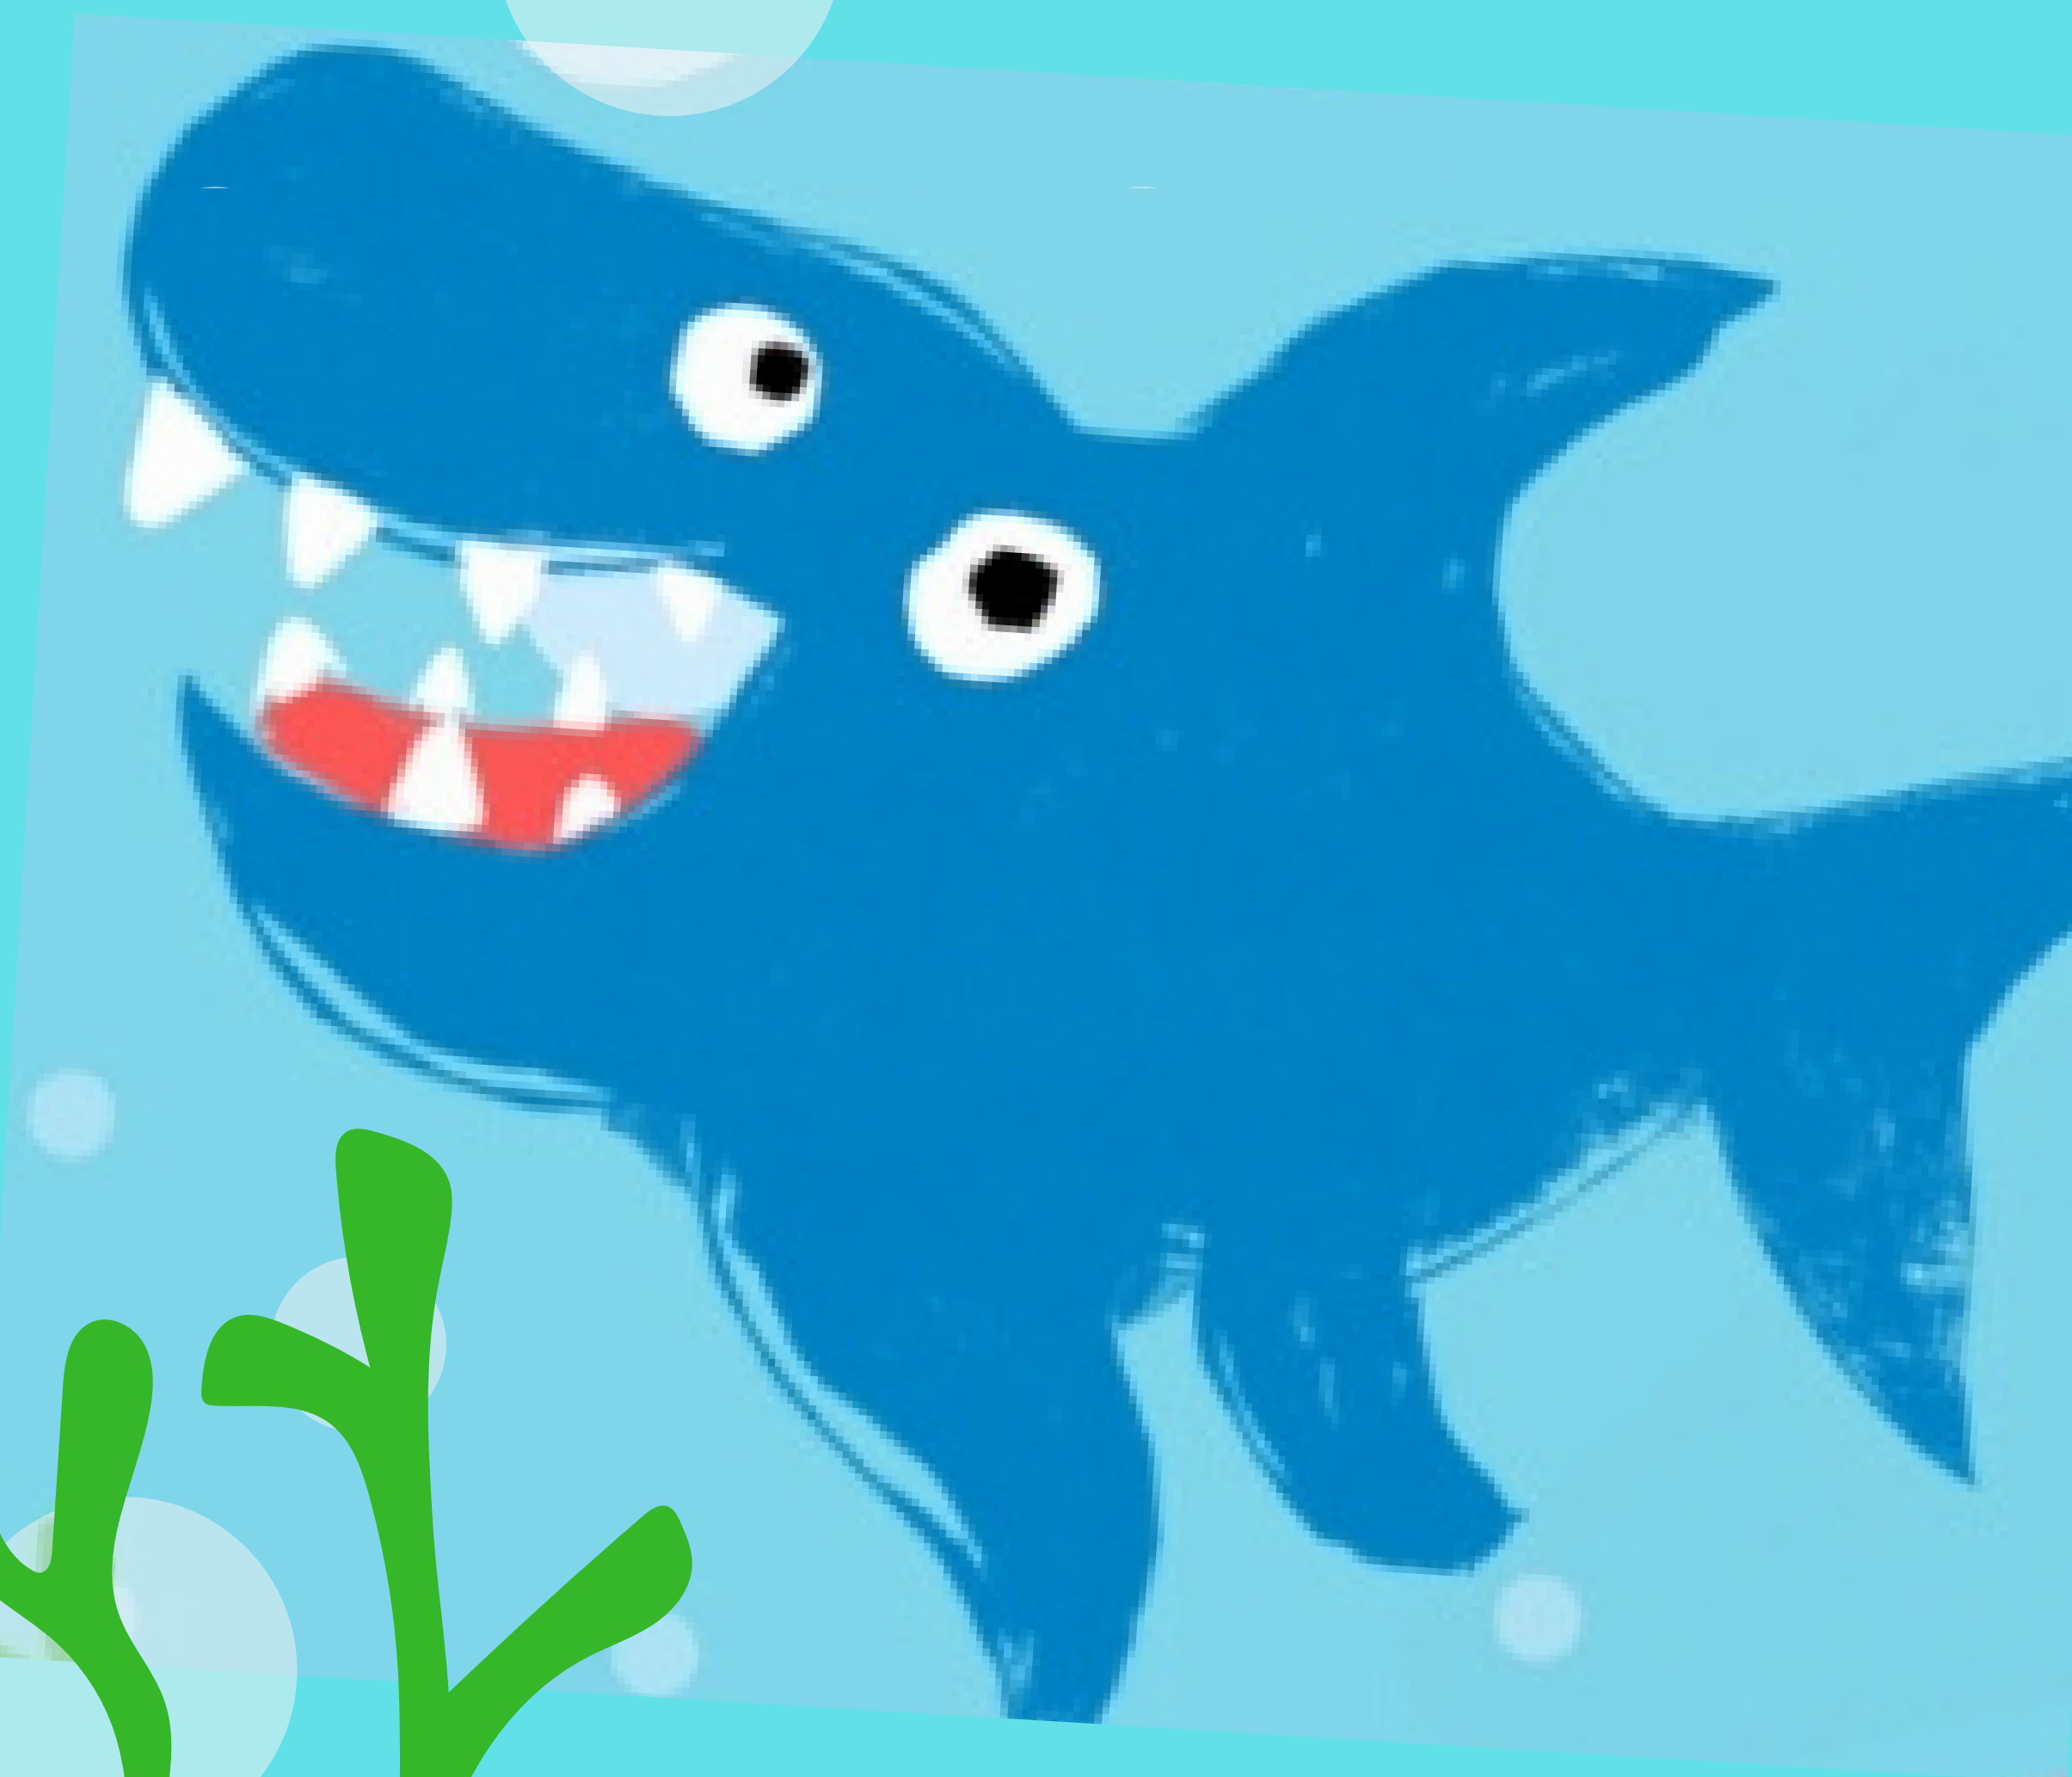

ssslllurrrppp...

But when he reached a little shrimp,  
He let out a massive burp!

"I think I'm full,"  
he said...

As he swam  
back to his bed.
